Your Unicorn real estate agency exclusively offers you a property ideally located on the first floor of an intimate, upscale residence. This elegant apartment perfectly embodies the marriage of modern comfort, top-quality amenities and the art of quiet living, just a few minutes from Luxembourg City.

Right from the entrance, natural light floods in generously thanks to large, full-height windows, highlighting the open volumes and carefully selected materials. The vast living space, with its contemporary lines, is organized around a luminous living room with open kitchen featuring refined finishes and integrated AEG equipment, extending harmoniously onto an exceptional 65 m<sup>2</sup> corner terrace. With its dual orientation, this terrace is a true open-air living space, bathed in light from early morning to late evening, with an unobstructed view over a large landscaped garden.

The apartment boasts 98 m<sup>2</sup> of living space, including two elegant bedrooms with custom built-in closets, a spacious master bathroom, a second cleverly designed shower room, a laundry area and a storage room. The property benefits from first-rate technical features: underfloor heating, tiles and noble floor coverings in perfect condition, triple-glazed aluminum windows with mosquito screens, electric blinds, designer light fittings included in the sale.

This exceptional property is complemented by two basement parking spaces, a private cellar and secure access to the common areas, including a bicycle room. Erected in 2021, the building comprises just five units, ensuring calm and discretion in an enclosed environment.

A confidential address, meticulous contemporary architecture and a serene living environment make this apartment a rare opportunity on the Luxembourg real estate market. An ideal property for discerning customers looking for elegance, comfort and tranquility in the immediate vicinity of the capital.
